Amendment No. 1

Project Number: 120216

**Request for Proposals for “Turn-Key” Bus Stop Destination Project
for
Waccamaw Regional Transportation Authority**

BUS STOP ~~DESTINATION~~ DESIGNATION PROJECT

- Project name has officially been changed to:
Bus Stop Designation Project; (Delete ~~Destination~~ and Replace with Designation).
Please note this change on your proposals and submission packaging appropriately!
- Any non-clarification question related to this project, not previously mentioned at the Pre-proposal meeting is due via email, no later than “Noon” on January 26, 2017. Please email all questions to procurement@coastrta.com. Questions will be answered and returned via email to all recipients of the RFP on January 27, 2017. If any are received, all questions and subsequent answers will be delivered as Amendment No. 2.
- Waccamaw Regional Transportation Authority will provide assistance through its staff with locating and viewing all current, existing bus stops. Selected firm shall determine if locations are adequate, and safe, or shall suggest alternative(s).
- Table of Contents has been amended to reflect numerical changes
- Scoring Criteria should be shown as number 29 (not 31) on page 15.
- Force Majeure should be shown as number 30 (not 32) on page 15.
- Scoring Criteria (Page 15) has been amended as follows:
 - Experience & Knowledge of Right-of-Way & Easement Acquisition (20%)
 - Experience & Knowledge Permitting Process (20%)
 - Experience & Knowledge of Developing a Traffic Control Plan and Overall Safety Plan (20%)
 - Providing a detailed Phased Implementation Approach to the project (20%)
 - DBE Inclusion ***shall be minimum 20%*** {access to the Certified DBE list in South Carolina is available by request; and providing this list shall not be construed or interpreted as any form of addenda or disallowed discussion with requesting vendor}

END
