

INTRODUCTION

Background

Coast RTA (Waccamaw Regional Transit Authority) is a two-county public transit authority providing fixed route and on-demand paratransit service to Horry and Georgetown counties. While Coast RTA serves all parts of the two (2) counties, as well as a route to Williamsburg County, the majority of the service focuses on the census-defined Urbanized Area (UZA). Coast RTA operates seven (7) days a week for 362 days of the year and serves over nineteen hundred (1,900) daily commuters with 10 routes. The fleet of thirty-two (32) ranges from 40-passenger buses to paratransit vans. The complimentary ADA Paratransit service operates a curb to curb, shared ride transportation service within a $\frac{3}{4}$ mile radius of any Coast RTA fixed route. Coast RTA also offers a free Entertainment Shuttle from Memorial Day through Labor Day. This shuttle service provides transportation along Ocean Boulevard to the entertainment and attractions in Downtown Myrtle Beach.

Coast RTA is in the process of developing a new Administration, Operating and Maintenance (O&M) facility. Once constructed, the new facility will afford the Authority the capability to expand to a regionally appropriate level of service. Coast RTA has recently implemented moderate service increases recently through dedicated funding from Horry County imposed fees based on a registered vehicles. Future revenue source(s) must be sustainable, enabled legislatively and robust enough to support transit expansion for the foreseeable future. The planning exercise included in this call for proposals is intended to identify transit needs, gaps in current service (including human service programs) and potential financing options that will inform the referendum campaign.

RFP Purpose

The Grand Strand Area Transportation Study (GSATS) is the Metropolitan Planning Organization (MPO) for the Myrtle Beach-Socastee Urbanized Area (UZA). GSATS, in conjunction with Coast RTA, is soliciting proposals to provide planning to guide Coast RTA through, at a minimum, the next 20 years. Proposals will be evaluated based on the efficiency and innovation of a scope of services to address the following (in order of priority):

- 1) **Fare Structure & Technology Analysis** – The fare collection equipment on Coast RTA buses has reached a critical state of unreliability and condition. As a result, Coast RTA will be acquiring a new system for fare collection that will eliminate the need for handling cash. This study will take the capabilities of the new system and examine the range of options related to adjustment of the base fare (currently \$1.50), deep discounts, passes or the possibility of going fare-free. The proposal will consider fare media usage, average fare per boarding and transfer rate statistics from the current Genfare system.
- 2) **Transit Development Plan (TDP)** – involves a transit needs assessment, modal analysis (fixed route/demand response/vanpool), and route design for the service area with cost/benefit calculations. It is expected that this task will meet SCDOT guidelines for a TDP, encompassing the Coast RTA service area and the urbanized area which extends into Brunswick County (NC). A TDP was performed for Coast RTA in 2010 (Updated in 2014) and will be made available to potential proposers. Depending on its recommendations, the plan will include governance and contracting options for services that span across the State Line.

The Assessment will address the following:

- Rural transportation – specifically for travel to work and medical services.
- Senior transportation – (fastest growing sector of the population) regardless of trip purpose.
- Tourist transportation – the population of the Grand Strand nearly triples during the summer.

- Potential fixed guideway/rapid transit – both corridor-based and/or activity center-based.
 - Ridership and other benefits
 - Cost Estimate – Capital and Operating
 - Phase Implementation Plan based on potential funding mechanisms identified in the Financial Analysis (see below)
- 3) **Transit/Human Transportation Coordination Plan Update** – Consultant will update the current regional Coordination Plan (to be provided) and identify human service transportation gaps – geographic, temporal, programmatic, etc. The Update will include a database of transportation providers and how services can be coordinated among human service agencies and those providers.
- 4) **Regional Transit Financial Analysis** – As mentioned earlier, Coast RTA will be placing a referendum on the regional ballot as early as 2024 (more likely 2026). The selected Consultant shall assess different revenue sources or combination of revenue sources with the yield necessary to finance the long range operating plan (from the TDP). Revenue sources shall be analyzed based on yield, whether or not they are enabled legislatively, available in Horry and Georgetown Counties and have a good nexus with the provision of transit services.

Consultants shall submit proposals to the Grand Strand Area Transportation Study (GSATS) Office by no later than the date outlined under RFP Timeline.

Evaluation Criteria

The Selection Team will evaluate the RFP responses received from each Consultant. If an award is made, as the result of this RFP, it shall be awarded to the respondent whose proposal is most advantageous to GSATS with price and other factors including, but not limited to, responses to the RFP questions, demonstrated technical ability and expertise, financial stability, reference calls and/or recommendations, memberships and licenses or any other applicable membership or certifications, presentations to GSATS's Evaluation Team (if applicable), on-site visits at supplier's site (if applicable), product samples which GSATS may request as part of the RFP process and any additional criteria deemed appropriate by GSATS which would lend itself to establishing the Service Provider's viability to perform the work as outlined in this RFP.

When determining whether a respondent is responsible, or when evaluating a respondent's proposal, the following factors will be considered, any one of which will suffice to determine if a respondent is either not a responsible respondent or the respondent's proposal is not the most advantageous to GSATS:

- The ability, capacity and skill of the respondent to perform the contract or provide the service required.
- The character, integrity, reputation, judgment, experience and efficiency of the respondent.
- Whether the respondent can perform the contract within the time specified.

- Cost will be considered, but not as part of the evaluation panel criteria.
- The quality of performance of previous public and private contracts including, but not limited to, the respondent's failure to perform satisfactorily, or complete any written contract. GSATS's termination for default of a previous contract, with a respondent, shall be deemed to be such a failure.
- The previous and existing compliance by the respondent with laws relating to the contract and services.
- Evidence of collusion with any other respondent, in which case colluding respondents will be restricted from submitting further bids on the subject project or future tenders.
- The respondent is not qualified for the work or to the full extent of the RFP.
- There is uncompleted work with GSATS or others, or an outstanding dispute on a previous or current contract that might hinder, negatively affect or prevent the prompt completion of the work bid upon.
- The respondent must have full standing in SAMS.
- More likely than not, the respondent will be able, financially or otherwise, to perform the work.
- Any other reason deemed proper by GSATS.

Deliverables

The Study should be drafted utilizing research of best practices and should be designed so that transit agency may be able to freely utilize any portion of the Study in the service areas. GSATS therefore expects the deliverables to approximate the following:

Implementation and Administration Guidance Materials

- A plan or guide that will provide Coast RTA with a methodology for implementation, including guidance on how end users would adapt.
- Basic guidance on administration of the study elements, including recommended equipment, training resources and public education recommendations that are consistent with the needs in the region.

Communications Materials

- A PowerPoint presentation that Coast RTA and others can use during the process to educate end users.

GSATS staff will work with the Consultant Team to facilitate the process. Consultants shall also interface with designated Coast RTA staff in developing the study. This process is a two-year planning process ongoing February 2022 through February 2024.

GSATS is not liable for any costs incurred by suppliers in the preparation and presentation of proposals and demonstrations submitted in response to our RFP.

ERRORS IN PROPOSALS

GSATS will not be liable for any errors in supplier proposals. Suppliers will not be allowed to alter proposal documents after the deadline of proposal submission.

GSATS reserves the right to make corrections or amendments due to errors identified in proposals by GSATS or the supplier. This type of correction, or amendment, will only be allowed for such errors as typing, transposition or any other obvious error. Suppliers are liable for all errors, or omissions, contained in their proposals.

When, after the opening and tabulation of proposals, a respondent claims error and requests to be relieved of award, said respondent will be required to promptly present certified work sheets. The RFP Contact will review the work sheets and if the RFP Contact is convinced, by clear and convincing evidence, that an honest, mathematically excusable error or critical omission of costs has been made, the respondent may be relieved from said proposal.

After opening and reading proposals, GSATS will check all for correctness of extensions of the prices per unit and the total price. If a discrepancy exists between a price per unit and the extended amount of any proposal item the price per unit will control. GSATS will use the total of extensions corrected where necessary.

RESPONSE INFORMATION

For information regarding this RFP, including any addenda, contact Elizabeth Tucker at 843-436-6136 or email etucker@wrcog.org.

ADDENDA

Suppliers are responsible for checking GSATS's website for the issuance of any addenda prior to submitting a response. Our website address is www.gsats.org.

CONTRACT AWARD AND EXECUTION

GSATS will select the proposal that, in its sole discretion, is the most advantageous to GSATS. GSATS also reserves the right to make an award without further discussion of the proposal submitted; there may be no best and final offer procedure. Therefore, all proposals should be initially submitted on the most favorable terms the supplier can offer.

GSATS shall attempt to negotiate a contract with the respondent who offered the most advantageous proposal at a price which GSATS determines is fair and reasonable. If GSATS is unable to negotiate a satisfactory contract with the firm selected at a price GSATS determines to be fair and reasonable, negotiations with that firm shall be formally terminated.

LOCAL, FEDERAL & STATE CLAUSES

Language Implied or Non-Implied

At no time shall any vendor contract language implied or non-implied supersede the language contained within this RFP, IFB, or RFQ and any appertaining local, federal or state clauses/certifications included.

THE PROPOSER OR BIDDER MUST PUT A STATEMENT IN THEIR OFFER AND ALL CONTRACTUAL OR ENGAGEMENT DOCUMENTATION THAT MUST BE SIGNED BY ANY REPRESENTATIVE OF GSATS ONLY ONCE OR ANNUALLY IF APPLICABLE FOR THE DURATION OF CONTRACT INDICATING:

If any current or prospective legal matter(S) EXIST OR DO NOT EXIST that may affect the Federal Government or that emerges DURING THE PERIOD OF SERVICE, INCLUDING all EXTENSIONS made THROUGH OPTIONS. This clause applies to all tiers of the Contract.

This notice requirement applies to every tier of any primary and non-primary procurement award(s) [e.g., a sub grant] of any amount and to every tier of a procurement transaction when the amount of which is expected to equal or exceed \$25,000. This requirement must be renewed annually by Vendor/Proposer in all contractual or engagement documentation each year that contractual service(s) are renewed.

No Federal Government Obligation to Third Parties

The Recipient and Contractor acknowledge and agree that, notwithstanding any concurrence by the Federal Government in or approval of the solicitation or award of the underlying Contract, absent the express written consent by the Federal Government, the Federal Government is not a party to this Contract and shall not be subject to any obligations or liabilities to the Recipient, Contractor or any other party (whether or not a party to that contract) pertaining to any matter resulting from the underlying Contract. The Contractor agrees to include the above clause in each subcontract financed in whole or in part with Federal assistance provided by the FTA. It is further agreed that the clause shall not be modified, except to identify the subcontractor who will be subject to its provisions.

Program Fraud and False or Fraudulent Statements or Related Acts

The Contractor acknowledges that the provisions of the Program Fraud Civil Remedies Act of 1986, as amended, 31 U.S.C. § 3801 *et seq.* and U.S. DOT regulations, "Program Fraud Civil Remedies," 49 C.F.R. part 31, apply to its actions pertaining to this Project. Upon execution of the underlying contract, the Contractor certifies or affirms the truthfulness and accuracy of any statement it has made, it makes, it may make, or causes to be made, pertaining to the underlying contract or the FTA assisted project for which this contract work is being performed. In addition to other penalties that may be applicable, the Contractor further acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification, the Federal Government reserves the right to impose the penalties of the Program Fraud Civil Remedies Act of 1986 on the Contractor to the extent the Federal Government deems appropriate. The Contractor also acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification to the Federal Government under a contract connected with a project that is financed in whole or in part with Federal assistance originally awarded by FTA under the authority of 49 U.S.C. chapter 53, the Government reserves the right to impose the penalties of 18 U.S.C. § 1001 and 49 U.S.C. § 5323(l) on the Contractor, to the extent the Federal Government deems appropriate. Energy Conservation

The CONTRACTOR agrees to comply with applicable mandatory energy efficiency standards and policies of applicable State energy conservation plans issued in accordance with the Energy Policy and Conservation Act, as amended, 42 U.S.C. §§ 6321 *et seq.*, except to the extent that the Federal Government determines otherwise in writing. To the extent applicable, the CONTRACTOR agrees to perform an energy assessment for any building constructed, reconstructed, or modified with FTA assistance, as provided in FTA regulations, "Requirements for Energy Assessments," 49 C.F.R. Part 622, Subpart C.

Termination (For projects over \$10,000)

1. Termination for Convenience (General Provision)

The AGENCY may terminate this contract, in whole or in part, at any time by written notice to the CONTRACTOR when it is in the Government's best interest in compliance with 49 U.S.C. Part 18/FTA Circular 4220.1F. The CONTRACTOR shall be paid its costs, including contract close-out costs, and profit on work performed up to the time of termination. The CONTRACTOR shall promptly submit its termination claim to AGENCY to be paid. If the CONTRACTOR has any property in its possession belonging to the AGENCY, the CONTRACTOR will account for the same, and dispose of it in the manner the AGENCY directs.

2. Termination for Default [Breach or Cause] (General Provision)

If the CONTRACTOR does not deliver supplies in accordance with the contract delivery schedule, or, if the contract is for services, the CONTRACTOR fails to perform in the manner called for in the contract, or if the CONTRACTOR fails to comply with any other provisions of the contract, the AGENCY may terminate this contract for default. Termination shall be effected by serving a notice of termination on the CONTRACTOR setting forth the manner in which the CONTRACTOR is in default. The CONTRACTOR will only be paid the contract price for supplies delivered and accepted, or services performed in accordance with the manner of performance set forth in the contract. If it is later determined by the AGENCY that the CONTRACTOR had an excusable reason for not performing, such as a strike, fire, or flood, events which are not the fault of or are beyond the control of the CONTRACTOR, the AGENCY, after setting up a new delivery or performance schedule, may allow the CONTRACTOR to continue work, or treat the termination as a termination for convenience.

3. Opportunity to Cure (General Provision)

The AGENCY in its sole discretion may, in the case of a termination for breach or default, allow the CONTRACTOR ten (10) days in which to cure the defect. In such case, the notice of termination will state the time period in which cure is permitted and other appropriate conditions. If CONTRACTOR fails to remedy to AGENCY's satisfaction the breach or default of any of the terms, covenants, or conditions of this Contract within ten (10) days after receipt by CONTRACTOR of written notice from AGENCY setting forth the nature of said breach or default, AGENCY shall have the right to terminate the Contract without any further obligation to CONTRACTOR. Any such termination for default shall not in any way operate to preclude AGENCY from also pursuing all available remedies against CONTRACTOR and its sureties for said breach or default.

4. Waiver of Remedies for any Breach

In the event that AGENCY elects to waive its remedies for any breach by CONTRACTOR of any covenant, term or condition of this Contract, such waiver by AGENCY shall not limit AGENCY's remedies for any succeeding breach of that or of any other term, covenant, or condition of this Contract.

5. Termination for Convenience (Professional and/or Transit Service Contracts)

The AGENCY, by written notice, may terminate this contract, in whole or in part, when it is in the Government's interest. If this contract is terminated, the AGENCY shall be liable only for payment under the payment provisions of this contract for services rendered before the effective date of termination.

6. Termination for Convenience or Default (Architect and Engineering)

The AGENCY may terminate this contract in whole or in part, for the AGENCY's convenience or because of the failure of the CONTRACTOR to fulfill the contract obligations. The AGENCY shall terminate by delivering to the CONTRACTOR a Notice of Termination specifying the nature, extent, and effective date of the termination. Upon receipt of the notice, the CONTRACTOR shall (1) immediately discontinue all services affected (unless the notice directs otherwise), and (2) deliver to the Contracting Officer all data, drawings, specifications, reports, estimates, summaries, and other information and materials accumulated in performing this contract, whether completed or in process. If the termination is for the convenience of the CONTRACTOR, the Contracting Officer shall make an equitable adjustment in the contract price but shall allow no anticipated profit on unperformed services. If the termination is for failure of the CONTRACTOR to fulfill the contract obligations, the AGENCY may complete the work by contract or otherwise and the CONTRACTOR shall be liable for any additional cost incurred by the AGENCY. If, after termination for failure to fulfill contract obligations, it is determined that the CONTRACTOR was not in default, the rights and obligations of the parties shall be the same as if the termination had been issued for the convenience of the AGENCY.

7. Termination for Convenience or Default (Cost-Type Contracts)

The AGENCY may terminate this contract, or any portion of it, by serving a notice of termination on the CONTRACTOR. The notice shall state whether the termination is for convenience of the AGENCY or for the default of the CONTRACTOR. If the termination is for default, the notice shall state the manner in which the CONTRACTOR has failed to perform the requirements of the contract. The CONTRACTOR shall account for any property in its possession paid for from funds received from the AGENCY, or property supplied to the CONTRACTOR by the AGENCY. If the termination is for default, the AGENCY may fix the fee, if the contract provides for a fee, to be paid the CONTRACTOR in proportion to the value, if any, of work performed up to the time of termination. The CONTRACTOR shall promptly submit its termination claim to the AGENCY and the parties shall negotiate the termination settlement to be paid the CONTRACTOR. If the termination is for the convenience of the AGENCY, the CONTRACTOR shall be paid its contract close-out costs, and a fee, if the contract provided for payment of a fee, in proportion to the work performed up to the time of termination. If, after serving a notice of termination for default, the AGENCY determines that the CONTRACTOR has an excusable reason for not performing, such as strike, fire, flood, events which are not the fault of and are beyond the control of the CONTRACTOR, the AGENCY, after setting up a new work schedule, may allow the CONTRACTOR to continue work, or treat the termination as a termination for convenience.

Access to Records and Reports

The Contractor will retain, and will require its subcontractors of all tiers to retain, complete and readily accessible records related in whole or in part to the contract, including, but not limited to, data, documents, reports, statistics, sub-agreements, leases, subcontracts, arrangements, other third party agreements of any type, and supporting materials related to those records.

2. Retention Period

3. Access to Records

The Contractor agrees to provide sufficient access to FTA and its contractors to inspect and audit records and information related to performance of this contract as reasonably may be required.

4. Access to the Sites of Performance

Federal Changes

Contractor shall at all times comply with all applicable FTA regulations, policies, procedures and directives, including without limitation those listed directly or by reference in the Master Agreement between Purchaser and FTA, as they may be amended or promulgated from time to time during the term of this contract. Contractor's failure to so comply shall constitute a material breach of this contract.

Incorporation of Federal Transit Administration (FTA) Terms

The preceding provisions include, in part, certain Standard Terms and Conditions required by U.S. DOT, whether or not expressly set forth in the preceding contract provisions. All contractual provisions required by U.S. DOT, as set forth in the Federal Transit Administration (FTA) Circular 4220.1F, are hereby incorporated by reference. Anything to the contrary herein notwithstanding, all FTA mandated terms shall be deemed to control in the event of a conflict with other provisions contained in this Agreement. The, hereafter referenced as "CONTRACTOR" shall not perform any act, fail to perform any act, or refuse to comply with any, hereafter referenced as "CONTRACTING AGENCY," requests which would cause CONTRACTING AGENCY to be in violation of the FTA terms and conditions.

Breaches and Dispute Resolution (For Project over \$100,000)

In compliance with 49 CFR Part 18/FTA Circular 4220.1F: Disputes - Disputes arising in the performance of this Contract which are not resolved by agreement of the parties shall be decided in writing by the authorized representative of Contracting AGENCY. 2. Rights and Remedies

The duties and obligations imposed by the Contract Documents and the rights and remedies available thereunder shall be in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law. No action or failure to act by the AGENCY or CONTRACTOR shall constitute a waiver of any right or duty

afforded any of them under the Contract, nor shall any such action or failure to act constitute an approval of or acquiescence in any breach thereunder, except as may be specifically agreed in writing.

Lobbying (For Projects over \$100,000). [SEE APPENDIX A]

Byrd Anti-Lobbying Amendment, 31 U.S.C. 1352, as amended by the Lobbying Disclosure Act of 1995, P.L. 104-65 [to be codified at 2 U.S.C. § 1601, et seq.] - contractors who apply or bid for an award of \$100,000 or more shall file the certification required by 49 CFR part 20, "New Restrictions on Lobbying." 1. The CONTRACTOR agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. §§ 7401 et seq/40 CFR 15.61/49 CFR Part 18. The CONTRACTOR agrees to report each violation to the AGENCY and understands and agrees that the AGENCY will, in turn, report each violation as required to assure notification to FTA and the appropriate EPA Regional Office.

2. The CONTRACTOR also agrees to include these requirements in each subcontract exceeding \$100,000 financed in whole or in part with Federal assistance provided by FTA.

Clean Water Requirements (For Projects over \$100,000)

1. The CONTRACTOR agrees to comply with all applicable standards, orders or regulations issued pursuant to the Federal Water Pollution Control Act, as amended, 33 U.S.C. 1251 et seq. The CONTRACTOR agrees to report each violation to the AGENCY and understands and agrees that the AGENCY will, in turn, report each violation as required to assure notification to FTA and the appropriate EPA Regional Office.

2. The CONTRACTOR also agrees to include these requirements in each subcontract exceeding \$100,000 financed in whole or in part with Federal assistance provided by FTA.

Fly America (For Project Overs \$150,000)

The CONTRACTOR understands and agrees that the Federal Government will not participate in the costs of international air transportation of any individuals involved in or property acquired for the Project unless that air transportation is provided by U.S.-flag air carriers to the extent such service is available, in compliance with section 5 of the International Air Transportation Fair Competitive Practices Act of 1974, as amended, 49 U.S.C. § 40118, and U.S. GSA regulations, "Use of United States Flag Air Carriers," 41 C.F.R. §§ 301-10.131 through 301-10.143.

Patent Rights

1. General

If any invention, improvement, or discovery of the CONTRACTOR or of any subcontractor, lessee, third party contractor, or other participant at any tier of the Project is conceived or first actually reduced to practice in the course of or under the Project, and that invention, improvement, or discovery is patentable under the laws of the United States of America or any foreign country, the CONTRACTOR agrees to notify FTA immediately and provide a detailed report in a format satisfactory to FTA.

2. Federal Rights

The CONTRACTOR agrees that its rights and responsibilities, and those of each subcontractor, lessee, third party contractor, or other participant at any tier of the Project, pertaining to that invention, improvement, or discovery will be determined in accordance with applicable Federal laws and regulations, including any waiver thereof. Absent a determination in writing to the contrary by the Federal Government, the CONTRACTOR agrees to transmit to FTA those rights due the Federal Government in any invention, improvement, or discovery resulting from that sub agreement, third party contract, third party subcontract, or arrangement, as specified in 35 U.S.C. §§ 200 et seq., and U.S. Department of Commerce regulations, "Rights to Inventions Made by Nonprofit Organizations and Small

Business Firms Under Government Grants, Contracts and Cooperative Agreements," 37 C.F.R. Part 401, irrespective of the status of the CONTRACTOR, subcontractor, lessee, third party contractor or other participant in the Project (i.e., a large business, small business, State government, State instrumentality, local government, Indian tribe, nonprofit organization, institution of higher education, or individual).

3. License Fees and Royalties

FTA considers income earned from license fees and royalties for patents, patent applications, and inventions produced under the Project to be program income. Except to the extent FTA determines otherwise in writing, as provided in 49 C.F.R. Parts 18 and 19, the CONTRACTOR has no obligation to the Federal Government with respect to that program income, apart from compliance with 35 U.S.C. §§ 200 *et seq.*, which applies to patent rights developed under a research project.

Rights in Data and Copyrights

1. Definition.

The term "subject data," as used in this Section 18 of this Master Agreement means recorded information, whether or not copyrighted, that is delivered or specified to be delivered under the Grant Agreement or Cooperative Agreement for the Project. Examples include, but are not limited to, computer software, standards, specifications, engineering drawings and associated lists, process sheets, manuals, technical reports, catalog item identifications, and related information. "Subject data," as used in this Section 18, does not include financial reports, cost analyses, or other similar information used for Project administration.

2. General

The following restrictions apply to all subject data first produced in the performance of the Grant Agreement or Cooperative Agreement for the Project:

- A. Except for its own internal use, the CONTRACTOR may not publish or reproduce subject data in whole or in part, or in any manner or form, nor may the CONTRACTOR authorize others to do so, without the prior written consent of the Federal Government, unless the Federal Government has previously released or approved the release of such data to the public, and
- B. The restrictions on publication of Subsection 18.b (1) of this Master Agreement, however, do not apply to a Grant Agreement or Cooperative Agreement with an institution of higher learning.

3. Federal Rights in Data and Copyrights

The CONTRACTOR agrees to provide to the Federal Government a royalty-free, non-exclusive, and irrevocable license to reproduce, publish, or otherwise use, and to authorize others to use, for Federal Government purposes the subject data described in this Subsection 18.c of this Master Agreement. As used herein, "for Federal Government purposes," means use only for the direct purposes of the Federal Government. Without the copyright owner's consent, the Federal Government may not provide or otherwise extend to other parties the Federal Government's license to:

- A. Any subject data developed under the Grant Agreement or Cooperative Agreement for the Project, or under a sub agreement, lease, third party contract or other arrangement at any tier of the Project, supported with Federal assistance derived from the Grant Agreement or Cooperative Agreement for the Project, whether or not a copyright has been obtained; and
- B. Any rights of copyright to which a CONTRACTOR, subcontractor, lessee, third party contractor, or other participant at any tier of the Project purchases ownership using Federal assistance.

4. Special Federal Rights in Data for Research, Development, Demonstration, and Special Studies Projects

In general, FTA's purpose in providing Federal assistance for a research, development, demonstration, or special studies Project is to increase transportation knowledge, rather than limit the benefits of the Project to Project participants. Therefore, when the Project is completed, the CONTRACTOR agrees to provide a Project report that FTA may publish or make available for publication on the Internet. In addition, the CONTRACTOR agrees to provide other reports pertaining to the Project that FTA may request. The CONTRACTOR agrees to identify clearly any specific confidential, privileged, or proprietary information it submits to FTA. In addition, except to the extent that FTA determines otherwise in writing, the CONTRACTOR of Federal assistance to support a research, development, demonstration, or a special studies Project agrees that, in addition to the rights in data and copyrights that it must provide to the Federal Government as set forth in Subsection 18.c of this Master Agreement, FTA may make available

to any FTA CONTRACTOR, subcontractor, third party contractor, third party subcontractor or other participant at any tier of the Project, either FTA's license in the copyright to the subject data or a copy of the subject data. If the Project is not completed for any reason whatsoever, all data developed under the Project shall become subject data as defined in Subsection 18.a of this Master Agreement and shall be delivered as the Federal Government may direct. This Subsection 18.d, however, does not apply to adaptations of automatic data processing equipment or programs for the CONTRACTOR's use when the costs thereof are financed with Federal assistance through an FTA capital program.

5. License Fees and Royalties.

FTA considers income earned from license fees and royalties for copyrighted material, or trademarks produced under the Project to be program income. Except to the extent FTA determines otherwise in writing, as provided in 49 C.F.R. Parts 18 and 19, the CONTRACTOR has no obligation to the Federal Government with respect to that program income, apart from compliance with 35 U.S.C. §§ 200 *et seq.*, which applies to patent rights developed under a research project.

6. Hold Harmless.

Except as prohibited or otherwise limited by State law or except to the extent that FTA determines otherwise in writing, upon request by the Federal Government, the CONTRACTOR agrees to indemnify, save, and hold harmless the Federal Government and its officers, agents, and employees acting within the scope of their official duties against any liability, including costs and expenses, resulting from any willful or intentional violation by the CONTRACTOR of proprietary rights, copyrights, or right of privacy, arising out of the publication, translation, reproduction, delivery, use, or disposition of any data furnished under the Project. The CONTRACTOR shall not be required to indemnify the Federal Government for any such liability caused by the wrongful acts of Federal employees or agents.

7. Restrictions on Access to Patent Rights

Nothing in Section 18 of this Master Agreement pertaining to rights in data shall either imply a license to the Federal Government under any patent or be construed to affect the scope of any license or other right otherwise granted to the Federal Government under any patent.

8. Data Developed Without Federal Funding or Support

In connection with the Project, the CONTRACTOR may find it necessary to provide data to FTA developed without any Federal funding or support by the Federal Government. The requirements of Subsections 18.b, 18.c, and 18.d of this Master Agreement do not apply to data developed without Federal funding or support by the Federal Government, even though that data may have been used in connection with the Project. Nevertheless, the CONTRACTOR understands and agrees that the Federal Government will not be able to protect data from unauthorized disclosure unless that data is clearly marked "Proprietary" or "Confidential."

9. Requirements to Release Data

To the extent required by U.S. DOT regulations, "Uniform Administrative Requirements for Grants and Agreements with Institutions of Higher Education, Hospitals, and Other Non-Profit Organizations," at 49 C.F.R. § 19.36(d), or other applicable Federal laws or Federal regulations, the CONTRACTOR understands and agrees that the data and information it submits to the Federal Government may be required to be released in accordance with the Freedom of Information Act (or another Federal law or Federal regulation providing access to such records).

Debarment and Suspension

The Recipient agrees to the following:

1. It will comply with the following requirements of 2 CFR Part 180, subpart C, as adopted and supplemented by U.S. DOT regulations at 2 CFR Part 1200.
2. It will not enter into any "covered transaction" (as that phrase is defined at 2 CFR §§ 180.220 and 1200.220) with any Third Party Participant that is, or whose principal is, suspended, debarred, or otherwise excluded from participating in covered transactions, except as authorized by:
 - A. U.S. DOT regulations
"Nonprocurement Suspension and Debarment," 2 CFR Part 1200;

B. U.S. OMB regulatory Guidance
“Guidelines to Agencies on Government wide Debarment and Suspension (Nonprocurement),” 2 CFR Part 180; and

C. Other applicable federal laws, regulations, or requirements regarding participation with debarred or suspended Recipients or Third Party Participants.

3. It will review the U.S. GSA “System for Award Management – Lists of Parties Excluded from Federal Procurement and Nonprocurement Programs,” if required by U.S. DOT regulations, 2 CFR Part 1200.

4. It will ensure that its Third Party Agreements contain provisions necessary to flow down these suspension and debarment provisions to all lower tier covered transactions.

5. If the Recipient suspends, debars, or takes any similar action against a Third Party Participant or individual, the Recipient will provide immediate written notice to the:

A. FTA Regional Counsel for the Region in which the Recipient is located or implements the Underlying Agreement; 27;

B. FTA Headquarters Manager that administers the Grant or Cooperative Agreement; or

C. FTA Chief Counsel.

Disadvantaged Business Enterprise

1. To the extent authorized by Federal law, the CONTRACTOR agrees to facilitate participation by Disadvantaged Business Enterprises (DBEs) in the Project and assures that each subcontractor, lessee, third party contractor, or other participant at any tier of the Project will facilitate participation by DBEs in the Project to the extent applicable as follows:

A. The CONTRACTOR agrees and assures that it shall comply with section 1101(b) of SAFETEA-LU, 23 U.S.C. § 101 note, and U.S. DOT regulations, “Participation by Disadvantaged Business Enterprises in Department of Transportation Financial Assistance Programs,” 49 C.F.R. Part 26.

B. The CONTRACTOR agrees and assures that it shall not discriminate on the basis of race, color, sex, or national origin in the award and performance of any sub agreement, lease, third party contract, or other arrangement supported with Federal assistance derived from U.S. DOT in the administration of its DBE program and shall comply with the requirements of 49 C.F.R. Part 26. The CONTRACTOR agrees to take all necessary and reasonable steps as set forth in 49 C.F.R. Part 26 to ensure nondiscrimination in the award and administration of all sub agreements, leases, third party contracts, and other arrangements supported with Federal assistance derived from U.S. DOT. As required by 49 C.F.R. Part 26, the CONTRACTOR’s DBE program approved by U.S. DOT, if any, is incorporated by reference and made part of the Grant Agreement or Cooperative agreement for the Project. The CONTRACTOR agrees that it has a legal obligation to implement its approved DBE program, and that its failure to carry out that DBE program shall be treated as a violation of the Grant Agreement or Cooperative Agreement for the Project and this Master Agreement. Upon notification by U.S. DOT to the CONTRACTOR of the CONTRACTOR’s failure to implement its approved DBE program, U.S. DOT may impose the sanctions as set forth in 49 C.F.R. Part 26 and may, in appropriate cases, refer the matter to the appropriate Federal authorities for enforcement under 18 U.S.C. § 1001, or the Program Fraud Civil Remedies Act, 31 U.S.C. §§ 3801 *et seq.*, or both.

Disadvantaged Business Enterprise Participation

A separate contract goal of (NA) DBE participation has been established for this procurement. DBEs must be approved through the South Carolina Department of Transportation’s Unified Certification Program and a listing of current DBE firms can be located online at: <http://dbw.scdot.org/dbesearch/DirectoryQuery.aspx>.

Contractor is expected to utilize (NA) DBE cost participation throughout the entire life-span cost of this procurement. Any DBE selected must first be verified and approved by the Procurement Officer of GSATS. DBE participant information should be indicated within the proposal being submitted.

GSATS will defer to the Coast RTA DBE program if the project costs exceed the minimum threshold requiring a DBE Program.

1. Contract Subletting

Because Disadvantaged Business Enterprise (DBE) {see DBE} is not a requirement of this solicitation, GSATS does anticipate a portion of the work to be sublet. However, no portion of the contract may be assigned, sublet or transferred without the express written consent and approval of GSATS. (SEE ATTACHED APPENDIX)

2. Approval of Subcontractors and/or Disadvantaged Business Enterprise Participation

The management of subcontracts usually involves three areas:

- A. Assurance that the prime contractor has included the required "flow-down" provisions (clauses) from the prime contract in the subcontract.
- B. The prime contractor's compliance with the Disadvantaged Business Enterprise (DBE) requirements in its prime contract, including compliance with prompt payment requirements.
- C. Assurance that the prime contractor has selected its critical subcontractors in a prudent fashion so as to protect the recipient's program interests.

3. Prompt Payment to Subcontractors

The Contractor is required to pay all Subcontractors for all work that the Subcontractor has satisfactorily completed, no later than five (5) business days after the Contractor has received payment from the Authority. In addition, all Retainage amounts must be paid by the Contractor to the Subcontractor no later than fourteen (14) business days after the Subcontractor has, in the opinion of the VP Construction, satisfactorily completed its portion of the work. A delay in or postponement of payment to the Subcontractor requires good cause and prior written approval of the General Manager, Purchasing. The Contractor is required to include, in each subcontract, a clause requiring the use of appropriate arbitration mechanisms to resolve all payment disputes.

The Authority will not pay the Contractor for work performed unless and until the Contractor ensures that the Subcontractors have been promptly paid for the work they have performed under all previous payment requests, as evidenced by the filing with the Authority of lien waivers, canceled checks (if requested), and the Contractor's sworn statement that it has complied with the prompt payment requirements. Prime Contractors must submit a prompt payment affidavit, which identifies each subcontractor (both DBE and non-DBE) and the date and amount of the last payment to such subcontractor, with every payment request filed with the Authority, except for the first payment request, on every contract with the Authority. (See below for Prompt Payment Affidavit developed by CTA).

Failure to comply with these prompt payment requirements is a breach of the Contract, which may lead to any remedies permitted under law, including, but not limited to, Contractor debarment. In addition, Contractor's failure to promptly pay its Subcontractors is subject to the provisions of 50 ILCS 505/9.

Access for Individuals with Disabilities (ADA)

The CONTRACTOR agrees to comply with 49 U.S.C. § 5301(d), which states the Federal policy that elderly individuals and individuals with disabilities have the same right as other individuals to use public transportation services and facilities, and that special efforts shall be made in planning and designing those services and facilities to implement transportation accessibility rights for elderly individuals and individuals with disabilities. The CONTRACTOR also agrees to comply with all applicable provisions of section 04 of the Rehabilitation Act of 1973, as amended, 29 U.S.C. § 794, which prohibits discrimination on the basis of disability in the administration of programs or activities receiving Federal financial assistance; with the Americans with Disabilities Act of 1990 (ADA), as amended, 42 U.S.C. §§ 12101 et seq., which requires that accessible facilities and services be made available to individuals with disabilities; with the Architectural Barriers Act of 1968, as amended, 42 U.S.C. §§ 4151 et seq., which requires that buildings and public accommodations be accessible to individuals with disabilities; and with other laws and amendments thereto pertaining to access for individuals with disabilities that may be applicable. In addition, the CONTRACTOR agrees to comply with applicable implementing Federal regulations, and any later amendments thereto, and agrees to follow applicable Federal implementing directives, except to the extent FTA approves otherwise in writing. Among those regulations and directives are:

- (1) U.S. DOT regulations, "Transportation Services for Individuals with Disabilities (ADA)," 49 C.F.R. Part 37;

- (2) U.S. DOT regulations, "Nondiscrimination on the Basis of Handicap in Programs and Activities Receiving or benefiting from Federal Financial Assistance," 49 C.F.R. Part 27;
- (3) Joint U.S. Architectural and Transportation Barriers Compliance Board (U.S. ATBCB)/U.S. DOT regulations, "Americans with Disabilities (ADA) Accessibility Specifications for Transportation Vehicles," 36 C.F.R. Part 1192 and 49 C.F.R. Part 38;
- (4) U.S. DOJ regulations, "Nondiscrimination on the Basis of Disability in State and Local Government Services," 28 C.F.R. Part 35;
- (5) U.S. DOJ regulations, "Nondiscrimination on the Basis of Disability by Public Accommodations and in Commercial Facilities," 28 C.F.R. Part 36;
- (6) U.S. General Services Administration (U.S. GSA) regulations, "Accommodations for the Physically Handicapped," 41 C.F.R. Subpart 101-19;
- (7) U.S. EEOC, "Regulations to Implement the Equal Employment Provisions of the Americans with Disabilities Act," 29 C.F.R. Part 1630;
- (8) U.S. Federal Communications Commission regulations, "Telecommunications Relay Services and Related Customer Premises Equipment for the Hearing and Speech Disabled," 47 C.F.R. Part 64, Subpart F;
- (9) U.S. ATBCB regulations, "Electronic and Information Technology Accessibility Standards," 36 C.F.R. Part 1194;
- (10) FTA regulations, "Transportation for Elderly and Handicapped Persons," 49 C.F.R. Part 609; and
- (11) Federal civil rights and nondiscrimination directives implementing the foregoing Federal laws and regulations except to the extent the Federal Government determines otherwise in writing.

Bond Requirements

1. Bid Guarantee

Bidders shall furnish a bid guaranty in the form of a bid bond, or certified treasurer's or cashier's check issued by a responsible bank or trust company, made payable to the RECIPIENT. The amount of such guaranty shall be equal to \$\$\$\$ or X% of the total bid price.

In submitting this bid, it is understood and agreed by bidder that the RECIPIENT reserves the right to reject any and all bids, or part of any bid, and it is agreed that the Bid may not be withdrawn for a period of [90] days subsequent to the opening of bids, without the written consent of RECIPIENT.

It is also understood and agreed that if the undersigned bidder should withdraw any part or all of his bid within [90] days after the bid opening without the written consent of the RECIPIENT, or refuse or be unable to enter into this Contract as provided above, or refuse or be unable to furnish adequate and acceptable Performance and Payment Bonds, or refuse or be unable to furnish adequate and acceptable insurance, as provided above, it shall forfeit its bid guaranty to the extent RECIPIENT'S damages occasioned by such withdrawal, or refusal, or inability to enter into an agreement, or provide adequate security thereof.

It is further understood and agreed that to the extent the defaulting bidder's bid guaranty shall prove inadequate to fully recompense RECIPIENT for the damages occasioned by default, then the undersigned bidder agrees to indemnify RECIPIENT and pay over to RECIPIENT the difference between the bid guarantee and RECIPIENT'S total damages so as to make RECIPIENT whole.

The undersigned understands that any material alteration of any of the above or any of the material contained herein, other than that requested will render the bid unresponsive.

2. Performance Guarantee

A Performance Guarantee in the amount of 100% of the Contract value is required by the Recipient to ensure faithful performance of the Contract. Either a Performance Bond or an Irrevocable Stand-By Letter of Credit shall be provided by the Contractor and shall remain in full force for the term of the Agreement. The successful Bidder shall certify that it will provide the requisite Performance Guarantee to the RECIPIENT within ten (10) business days from Contract execution. The RECIPIENT requires all Performance Bonds to be provided by a fully qualified surety company acceptable to the RECIPIENT and listed as a company currently authorized under 31 C.F.R. part 22 as possessing a Certificate of Authority as described hereunder. RECIPIENT may require additional performance bond protection when the contract price is increased. The increase in protection shall generally equal 100 percent of the increase in contract price. The RECIPIENT may secure additional protection by directing the Contractor to increase the amount of the existing bond or to obtain an additional bond.

If the Bidder chooses to provide a Letter of Credit as its Performance Guarantee, the Bidder shall furnish with its bid, certification that an Irrevocable Stand-By Letter of Credit will be furnished should the Bidder become the successful Contractor. The Bidder shall also provide a statement from the banking institution certifying that an Irrevocable Stand-By Letter of Credit for the action will be provided if the Contract is awarded to the Bidder. The Irrevocable Stand-By Letter of Credit will only be accepted by the RECIPIENT if:

A bank in good standing issues it. The RECIPIENT will not accept a Letter of Credit from an entity other than a bank. It is in writing and signed by the issuing bank. It conspicuously states that it is an irrevocable, non-transferable, "standby" Letter of Credit. The RECIPIENT is identified as the Beneficiary. It is in an amount equal to 100% of the Contract value. This amount must be in U.S. dollars. The effective date of the Letter of Credit is the same as the effective date of the Contract. The expiration date of the Letter of Credit coincides with the term of this Agreement. It indicates that it is being issued in order to support the obligation of the Contractor to perform under the Contract. It must specifically reference the Contract between the RECIPIENT and the Contractor the work stipulated herein. The issuing bank's obligation to pay will arise upon the presentation of the original Letter of Credit and a certificate and draft (similar to the attached forms contained in Sections X and Y) to the issuing bank's representative at a location and time to be determined by the parties. This documentation will indicate that the Contractor is in default under the Contract.

3. Payment Bonds

A Labor and Materials Payment Bond equal to the full value of the contract must be furnished by the contractor to Recipient as security for payment by the Contractor and subcontractors for labor, materials, and rental of equipment. The bond may be issued by a fully qualified surety company acceptable to (Recipient) and listed as a company currently authorized under 31 C.F.R. part 223 as possessing a Certificate of Authority as described thereunder.

APPENDIX G

IRAN DIVESTMENT ACT

This is to alert you to the requirements of the Iran Divestment Act of 2014. On January 5, 2015, the South Carolina State Budget and Control Board, pursuant to S.C. Code Ann. 11-57-310(A)(I), published a list of persons engaged in investment activities in Iran. The list is available at the following URL:

<http://procurement.sc.gov/PS/PS-iran-divestment.phtml>

Section 11-57-310 (B) declares that any person identified on the Iran Divestment Act List is ineligible to contract with the State. Section 11-57-310 (C) provides "Any contract entered into with a person that is ineligible to contract with the State shall be void ab initio." Section 11-57-330(A) provides:

A state agency or entity, including Grand Strand Area Transportation Study (GSATS), shall require a person that attempts to contract with the State, including a contract renewal or assumption, to certify, at the time the bid is submitted or the contract is entered into, renewed, or assigned, that the person or the assignee is not identified on a list created pursuant to Section 11-57-310. A state agency or entity, including Grand Strand Area Transportation Study (GSATS), shall include certification information in the procurement record. Section 11-57-330(B) prohibits any State or Grand Strand Area Transportation Study (GSATS), contractor from utilizing any subcontractor identified on the Iran Divestment Act List. You may read the entire act at the following URL:

<http://www.scstatehouse.gov/code/t11c057.php>

In the meantime we have developed two new solicitation clauses, and revised a third clause, for use beginning immediately. The first new clause creates the bidder's certification he is not on the list. It is part of instructions to offerors, and must be added by amendment to all solicitations that have not yet been opened. The clause reads:

IRAN DIVESTMENT ACT- CERTIFICATION

(a) The Iran Divestment Act List is a list published by the Board pursuant to Section 11-57-310 that identifies persons engaged in investment activities in Iran. Currently, the list is available at the following URL:
<http://procurement.sc.gov/PS/PS-irandivestment.phtml>

Section 11-57-310 requires the government to provide a person ninety days written notice before he is included on the list. The following representation, which is required by Section 11-57-330(A), is a material inducement for the Grand Strand Area Transportation Study (GSATS) to award a contract to you. (b) By signing your Offer, you certify that, as of the date you sign, you are not on the then-current version of the Iran Divestment Act List. (c) You must notify the Procurement Officer immediately if, at any time before posting of a final statement of award, you are added to the Iran Divestment Act List.

For solicitations that have been opened but not awarded, the successful offeror must execute a separate certification prior to award. A form for this certification is attached.

The second new clause (I) creates a duty to advise the buyer if, after award but before a renewal, a contractor is added to the list; and (2) prohibits subcontracting with persons on the list. It must be added to all open solicitations by amendment; and to solicitations that have been opened but have not yet been awarded and to any current contracts that have renewable option terms remaining, by change order or directive. It is part of the performance requirements of the contract, and appears in Section VIIA. The clause reads:

IRAN DIVESTMENT ACT - ONGOING OBLIGATIONS- (JAN 2015): (a) You must notify the procurement officer immediately if, at any time during the contract term, you are added to the Iran Divestment Act List. (b) Consistent with Section 11-57-330(B), you shall not contract with any person to perform a part of the Work, if, at the time you enter into the subcontract, that person is on the then-current version of the Iran Divestment Act List.

The final clause pertains to all open solicitations; to all contracts awarded or to be awarded pursuant to solicitations that did not include the clause; and to all current contracts, where the contract term includes renewal options. The revised clause reads:

TERM OF CONTRACT - OPTION TO RENEW:

(a) At the end of the initial term, and at the end of each renewal term, this contract shall automatically renew for a period of year(s), month(s), and day(s), unless contractor receives notice that the Grand Strand Area Transportation Study (GSATS) elects not to renew the contract at least thirty (30) days prior to the date of renewal. Regardless, this contract expires no later than the last date stated on the final statement of award.

(b) Contractor acknowledges that, unless excused by Section 11-57-320, if the contractor is on the then-current Iran Divestment Act List as of the date of any contract renewal, the renewal will be void ab initio.

IRAN DIVESTMENT ACT OF 2014 & FEDERAL CLAUSES ADHERENCE

The Iran Divestment Act List is a list published by the South Carolina State Fiscal Accountability Authority pursuant to Section 11-57-310 that identifies persons engaged in investment activities in Iran. Currently, the list is available at the following URL: <http://procurement.sc.gov/PS/PS-iran-divestment.phtm>(.) Section 11-57-310 requires the government to provide a person ninety days written notice before he is included on the list. The following representation, which is required by Section 11-57-330(A), is a material inducement for the State to award a contract to you.

I, the official named below, certify I am duly authorized to execute this certification on behalf of the vendor identified below, and, as of the date of my signature, the vendor identified below is not on the current Iran Divestment Act List. I further certify that my firm shall adhere to the appertaining attached federal clauses and will additionally notify the Procurement Officer immediately if, at any time before award of a contract or acceptance of a Purchase Order for fuel, or the vendor identified below is added to the Iran Divestment Act List or is unable to adhere to the above listed federal clauses.
