ACKNOWLEDGEMENT OF VISITORS: Mr. Piascik greeted and introduced the visitors, Robert Pawlowski and Elijah Metherd.

Robert Pawlowski spoke about Vanpool discussion. He stated that Vanpool would benefit Coast RTA, especially the south strand of Myrtle Beach as it would allow tourist to maneuver around downtown to help connect to bus routes as well businesses/attractions.

Elijah Metherd stated he was glad to be a part of the Coast RTA board. He spoke of his background as a State Trooper. He held that position for almost ten years and is very familiar with roads in Georgetown and Horry County. He looks forward to working with Coast RTA as the newest board member.

SERVICE/PAC COMMITTEE: Mr. Piascik began the committee update by speaking of proposed upcoming route and service changes. The goal is to implement these changes in April 2023. The changes include:

- Route 7 & 15S will change to a 75-minute frequency in order to improve on-time performance;
- Route 15S Ext to 15 will be re-attached. This will reduce frequency to Myrtle Beach Airport and Market Common;
- Reduction of trips to International Drive on 15N;
- Reduction of trips (12 to 6) to Sandy Island on Route 16;
- Alignment modifications to service hours on Route 14 saves 45 minutes on front end and about an hour on the back end.

The public involvement process for these services changes will begin the week of February 27, 2023. Notifications to the public will include online announcements; face-to-face as a table will be set up at each transit center with information; there will be notifications on the buses; and

social media opportunities. Proposed changes will be presented at the committee meetings on March 22, 2023 and request to approve the changes will be at the March 29, 2023 board meeting. Mr. Piascik will be attending the City of Georgetown's Council Workshop on February 22, 2023 to speak about service issues and will report to the Service/Pac on how that meeting goes next month.

Motion: A motion by Ms. D'Angelo and seconded by Mr. Eickhoff to approve Resolution #NOV2022-02R – Authorization to Release Proposed Route Changes to Public (revised). A voice vote was taken; no nays being heard, the resolution passes unanimously to approve the Route Changes to Public (revised).

Ms. D'Angelo reviewed what was discussed regarding the fleet update. Coast RTA will be looking into bus procurement using money from 5310 funding. Mr. Piascik stated that was the case and that Coast RTA will also be using Kimley-Horn to update our Transit Management Plan as it is due an update every four years and we have reached that mark. Ms. D'Angelo spoke of current buses that need mid-life rehabs to which Mr. Piascik stated these buses will be taken rotated in and out for maintenance over the course of the next two years. The estimated cost for these rehabs is \$100,000 to \$150,000 per bus, as they will need new engines and new transmissions, etc.

Ms. D'Angelo and Mr. Piascik provided an update on the upcoming Roadeo, which is scheduled for March 4, 2023 in Columbia. Coast RTA will has entered three operations (one for each category) to compete; as well as, two maintenance employees.

Mr. Piascik has been preparing for the Legislative reception on March 1, 2023 and has received good response for supporters who will be in attendance. AARP will have representatives at the event, to include Mr. Eickhoff. Additionally, AARP has agreed to contribute around \$1,500 per year for the next three years to TASC.

Ms. D'Angelo asked for an update on upcoming meetings Mr. Piascik planned to have with surrounding cities/counties. Mr. Piascik stated he had a meeting with the City of Georgetown on February 23, 2023; he is working on a time to meet with North Myrtle Beach but plans for it to take place the week of February 27, 2023; no meeting time with Georgetown County as of yet.

Lastly, Mr. Piascik spoke about the meeting with Ride IV Committee that was held the week of February 13, 2023. Coast RTA was on the agenda and was able to have a good conversation with the committee who in return received us well. Mark Lazarus put a motion on floor for the committee to consider granting us \$10 million to help fund for new facility. This motion was received well but it will have go to through project evaluation.

FINANCE COMMITTEE: Mr. Silverman began by pointing out that the "Financial Plan Timeline" in the board packet highlights financial plans and timelines. The FY24 budget will be presented

earlier than in years past allowing the County and other funders more time to review. Additionally, there has been a new financial report added to the financials, "Net Working Capital" which is a snapshot that board members can use to measure the Authority's financial security. Mr. Silverman thanked Brian and staff for putting together this form in one month as it is a starting point to what was requested by board members. Lastly, shown on the "Financial Plan Timeline" is the date (March 29, 2023) the O&M Reserve Rejuvenation Plan (OMRRP) will be presented to the board. This report is critical to keep board abreast of reserves.

Dr. Sheehan began a discussion concerning vanpool and how the funding relates to pick-ups that originate in Horry and Georgetown Counties but may have destinations within or outside of theses service areas. Mr. Piascik explained that vanpool is a coordinated effort and that the Authority cannot dictate services areas. The program is intended to be borderless and "cast a net" across rural areas in an effort to get people to work. He also explains that although the vanpools will have our logo, we will be covered under Enterprise's insurance and legal protection. The vanpool program will have an origin based set-up in that if the passenger originates in our service area, then CoastRTA will pay for that vehicle and will get credit for that ridership.

Mr. Silverman reviewed the January 2023 financials. He explained the first thing he looks at is budget review, pointing out that Mr. Piascik is within 1.5% of the overall budget. Secondly, Mr. Silverman pointed out the cash requirements and states cash appears to be in good shape. Cash requirements in LGIP shows no ins-and-outs this month. Ridership is up from 2020 and appears to be on track. In addition, demand response (paratransit) is "off the charts." This service is expensive but is mandated. In reviewing the income statement; fuel and oil, vehicle maintenance and transportation salaries and benefits are over budget. The telecommunications budget is also over because the Authority had to purchase new GPS units. Lastly, Mr. Silverman brought up stop enunciation and how it is required by FTA but is not currently being done electronically or manually on Authority buses. Mr. Piascik states this is a service that we must address and until the Authority can find a program to correct it electronically, the driver's will be required to do it manually.

Motion: A motion by Dr. Sheehan and seconded by Mr. Wallace to approve Resolution # FEB2023-07 – Authorization to Initiate Vanpool Program. A voice vote was taken; no nays being heard, the resolution passes unanimously to approve the Vanpool Program.

Motion: A motion by Mr. Eickhoff and seconded by Mr. Silverman to approve the following funding resolutions:

Resolution #FEB2023-02 Authorization to Request FY24 Funding From Local Governments Resolution #FEB2023-03 Authorization to File FY24 5310 Grant Applications Resolution #FEB2023-04 Authorization to File FY24 5311 & SMTF Grant Applications Resolution #FEB2023-05 Authorization to File FY24 5307 & 5339 Grant Applications A voice vote was taken; no nays being heard, the resolutions passed unanimously to approve all resolutions.

COMPENSATION COMMITTEE: None

AD HOC COMMITTEES: None

OLD BUSINESS: Mr. Silverman asked to re-visit Mr. Piascik's succession plan. The board would like reassurance that if anything should happen to any leaders of the Authroity, to include the GM that Coast RTA will continue to run smoothly. It was decided this was be updated and discussed further at next month's meeting.

NEW BUSINESS: None

GENERAL MANAGER'S REPORT: Mr. Piascik is currently focusing on TASC as the conference is next week – March 1-4, 2023. Mr. Piascik was also able to attend the Chamber Legislation Reception last week. He has been able to make good connections and have good conversations that will ultimately be for the good of the Authority. Ms. D'Angelo recommended members of the board attend TASC yearly. Mr. Piascik agreed and stated this year Mr. Eickhoff will be attending and board members are welcome to attend this conference.

FOR THE GOOD OF THE ORDER: Coast RTA recognized Joseph Lazzara for his many years of service as a board member. This will be his last meeting in a formal capacity; however, he has been asked to continue serving the board in an emeritus position.

ANNOUNCEMENTS: None.

WACCAMAW REGIONAL TRANSPORTATION AUTHORITY DBA THE COAST RTA INCOME STATEMENT NOTES – February 2023

These notes represent Income Statement variances of \$5,000 per MTD and YTD budget line item on pages 2 and 3, in accordance with Section 2.3 of WRTA Month-End Procedures (Rev. 04/01/09).

<u>Operating Revenues are</u> under budget YTD (\$11.8K) or (7,1%) (page 2) despite ridership holding steady from last February when operating fare-free. Fare revenue is expected to continue to improve with higher ridership.

<u>Salaries & Benefits - Transportation</u> is over budget YTD (\$7.0K) or (0.5%) (page 2) but trended positively with the short month and no holidays.

<u>Overtime - Transportation</u> is under budget YTD \$6.1K or 6.1% (page 2) as the Operations Department has done a good job of controlling overtime.

<u>Salaries & Benefits - Maintenance</u> is under budget YTD \$44.0K or 11.3% (page 2) due to open positions in the department. Hiring replacements is still in process.

<u>Overtime - Maintenance</u> is over budget YTD (\$9.5K) or (174.7%) (page 2) because of staffing shortages and the need to cover seven day work schedule.

<u>Vehicle Maintenance</u> is over budget YTD (\$17.4K) or (11.1%) (page 2) due to timing of scarce parts and inflationary impacts. Overage held steady in February.

Fuel & Oil is over budget YTD (\$7.4K) or (1.9%) (page 2) as prices have steadied and the short month helped overage.

<u>Tires</u> is over budget YTD (\$7.1K) or (34.3%) (page 2) but trended positively. Tire inventory is in good shape.

<u>Telecommunications</u> is over budget YTD (\$10.6K) or (16.9%) (page 2) however, expenses normalized in February. Staff is working through installation of two-way radio system and phone system, which have an impact on monthly expenses moving forward.

<u>Legal & Professional Services</u> is under budget YTD \$6.4K or 19.3% (page 2) due to the timing of expenses. We still have final audit bill to hit the system.

<u>Public Information</u> is under budget YTD \$6.4K or 61.4% (page 2) due to the timing of expenses. We have a new system map, and several updated route schedules to be produced soon.

<u>Advertising & Marketing</u> is under budget YTD \$9.2K or 91.8% (page 2) because of timing for expenses. Marketing for upcoming service changes (postponed to April 1), Tap to the Cap Program and Entertainment Shuttle will be incurred soon.

<u>Travel & Training</u> is over budget YTD (\$5.8K) or (12.8%) (page 2) due to the initial charges for the March TASC Conference and Roadeo.

<u>Depreciation</u> is under budget YTD \$11.0K or 2.5% (page 2) due to timing of mid-sized capital improvements.

<u>Operating Grant Revenue</u> is over budget YTD \$265.6K or 9.9% (page 2) due to federal grants are drawn as early as possible and timing of other grants (County ARPA, capital grants supporting ops). Budget is based on 5/12th of expected annual budget.

Total Other Revenue is over budget YTD \$31.1K or 119.4% (page 2) due to increased sales for onboard advertising.
