Evacuations

Hurricane evacuations in South Carolina are issued by the Governor. All evacuations issued are considered mandatory. Once an evacuation is ordered, Coast RTA begins transporting residents to the local shelters.

During an evacuation, all Coast RTA rides end at officially designated emergency shelters. Return trips will only stop at the hurricane shelter evacuation designated pickup points. When using Coast RTA for transportation to the local shelters, look for the temporary blue and white hurricane evacuation bus stop signs to designate the pick up location. This is a FREE service.

For additional details regarding evacuations, please visit the Horry County Government website at <http://www.HorryCountySC.gov>.
